Notes on installation

- ☞ The unit is designed for **12V DC** , negative ground operation system only. Before installing the unit, make sure your vehicle is connected to **DC 12V** negative ground electrical system .
- ☞ The negative battery terminal must be disconnected before making Connections, which can reduce damaging the unit due to short circuit .
- ☞ Be sure to connect the color coded leads correctly according to the diagram. Incorrect connections may cause the unit malfunction or damage the vehicle' s electrical system .
- ☞ Be sure to connect the speaker (-) leads to the speaker (-) terminal. Never connect the left and right channel speaker cables each other or to the vehicle body .
- ☞ Do not block vents or radiator panels. Blocking them will cause heat to build up inside and may result in fire .

- ☞ After the completion of the installation and begin to play the unit (including replacing the battery), please press the **RESET** button on the front panel with pointed objects (such as ball-point pen) to set the unit to initial status .

Precautions

- ☞ This unit can play the following discs only.

Type of disc	Label on the disc	Recorded material	Size of disc
DVD		Sound and moving Pictures	12cm/8cm
VCD		Sound and moving Pictures	12cm/8cm
MP3	MP3	Sound and moving Pictures	12cm/8cm
CD		Sound only	12cm/8cm

Note: ① The unit is compatible with DVD.VCD1.0/2.0/3.0 DVCD.CD-RW.CD-R.PICTURE-CD version Disc.
 ② The manual conforms to DVD、VCD、MP3 and CD. If no DVD、VCD or MP3 on some models.you should ignore them. While enjoying DVD、VCD、MP3 and CD, the display will automatically identify the discs and indicate the corresponding words.

Do not attempt to modify the unit, modifying the unit may cause an accident .

Stop the vehicle before carrying out any operation that could interfere with your driving .

Do not work in extreme high or low temperature inside the vehicle is between +60°C and -20°C before turning your unit on .

To enjoy optimum sound and images while playing , handle the discs as follows :

- Handle the disc by its edge to keep the disc clean , and do not touch the surface.

- Do not use your CDs with paste residue or ink attached .

- Do not use CDs with labels or stickers attached . which may leave a sticky residue while beginning to peel off. (Shown as picture)

- Clean the discs with an optional cleaning cloth .Wipe each disc from the center out. (Shown as picture)
